

# *Rose B. Simpson : Seminar*

**UNM Student Guide**

**SEPTEMBER 6 - OCTOBER 24**

Where you, an artist, and your peers connect, create, and learn without the usual conventions.

## ABOUT:

*Rose B. Simpson: Seminar* is a six-week intensive museum program on the UNM Art Museum's new platform for artist/student collaboration: UNMAM.ART. This experience is for UNM students—across all disciplines.

## SIGNING UP IS EASY:

Starting August 23rd, visit UNMAM.ART and click "Register". You will receive an email (starting September 6th) with the password to access the platform.

## How It Works:

**Rose will be sharing new ideas, new art, and new inspiration each week from September 6 through October 24th. During this time...**

### 1) Rose drops a new prompt every Monday.

The prompts remain open for replies for one full week.

### 2) Her prompts are an invitation for you to correspond directly with her.

All you need to do is reply in that week's prompt.

### 3) Your reply will be posted, and conversation builds in the comments.

This is where Rose, you, and your peers share and grow ideas.

### 4) Rose is also offering limited office hours:

Office hours will be available on a weekly basis to 10 students who have sent in a reply. Students will be randomly selected and notified if they receive a slot to meet with Rose in this small group setting.

**Join for a single week or multiple weeks. It's up to you.**
